Grupa Azoty S.A. in the WIG140 index

The index was published on December 20, 2021. The index portfolio includes blocks of shares of 140 companies listed on the Warsaw Stock Exchange, classified in the WIG20, mWIG40 and sWIG80 index portfolios.

It is an index calculated in the income formula, ie apart from transaction prices, its value takes into account received dividends and subscription rights from shares participating in the index portfolio.
