## Come and see us at PLASTPOL Kielce

**Innovative solutions and unique products are the key to success, and that is why Grupa Azoty – Poland's leading chemical Group – invites you to come to the PLASTPOL Kielce fair, to be held from May 17<sup>th</sup> to May 20<sup>th</sup> (hall E – stand 33).**

PLASTPOL International Plastics and Rubber Processing Fair is the largest plastics industry event in this part of Europe. Each year, the fair is attended by hundreds of exhibitors from across the globe and becomes an experience sharing platform for the plastics industry majors. The character, importance and reach of the event attract several hundred exhibitors from more than 30 countries, presenting machinery and equipment for plastics processing, forms and tools, components, plastics and even complete processing lines along with IT solutions used in the plastics industry.

It is Grupa Azoty's duty as the chemical market leader to attend this prominent event. During the four days of the fair, our representatives will demonstrate the full range of engineering plastics and their modified forms manufactured by the Tarnów plant, and a wide range of the OXO segment products manufactured in Kędzierzyn-Koźle. **Come to visit! Hall E, Stand 33, May 17<sup>th</sup> – May 20<sup>th</sup> 2016**
