Grupa Azoty wins “International Champion” title

Grupa Azoty is delighted to announce that it has been ranked as the No. 3 “National Champion” by the editors of Polityka Insight. The Company’s impressive score in the main ranking has also earned it the coveted title of an “International Champion”, i.e. a large, innovative enterprise which is a leader in its industry with a global presence.

The ranking criteria included macroeconomic indicators, the performance and role of the ranked companies in their respective industries, foreign market presence, and investments in development and innovation.

Relative to the prior year’s ranking, Grupa Azoty has improved its score by a remarkable 20 points, which has for the first time placed it among the three “International Champions”. The index underlying the ranking reflects each company’s performance in the four key categories: economy, industry, foreign markets, and innovation.

“Our high score in the overall ‘National Champions’ ranking and, in particular, earning an ‘International Champion’ title confirm Grupa Azoty’s strong position not only domestically but also on the global markets. Our excellent performance in each category is a testament to the successful delivery of Grupa Azoty’s ambitious strategy, which is focused on energy transition combined with expansion of our R&D facilities and green product portfolio. These efforts strengthen our competitive edge and enable us to meet the evolving needs of our environmentally conscious customers,” **says Tomasz Hinc, President of the Management Board of Grupa Azoty S.A.**
