Innovative collaboration: Polska Grupa Zbrojeniowa and Grupa Azoty

Polska Grupa Zbrojeniowa, a leading producer of advanced solutions for the armed forces, and Grupa Azoty, a prominent player in the European fertilizer and chemical industry, have signed an agreement set to open new horizons in technological advancement and manufacturing.

The partnership's primary objective is not only to propel technological innovations, but also to bolster the security of industrial capabilities in research and production.

"Our collaborative ventures represent a bold leap into the future for Polish industry. Together, we are poised to actively shape innovations that will not only support the armed forces but will also drive forward the technological progress of our nation," **says Sebastian Chwałek, President of the Management Board of Polska Grupa Zbrojeniowa.**

Anticipated joint initiatives will encompass research and development in chemical production, ensuring component supplies for manufacturing operations, developing innovative materials tailored for the defence industry, and designing materials for 3D printing with military applications in mind.

"At the Grupa Azoty Group, our extensive research and development facilities play a pivotal role in bolstering the competitiveness of our companies within their respective domains. We believe that our collaboration with Polska Grupa Zbrojeniowa will empower us to bring forth innovative solutions that will transcend our industries, contributing significantly to the security of our nation," **says Tomasz Hinc, President of the Management Board of Grupa Azoty S.A.**

This partnership stands as a significant milestone in establishing a robust alliance between the Grupa Azoty Group and Polska Grupa Zbrojeniowa. Both companies are united by a shared mission to pioneer cutting-edge solutions within their respective sectors, simultaneously contributing to the economic growth of Poland through the implementation of novel technologies.

The agreement was signed by Tomasz Hinc, President of the Management Board of Grupa Azoty S.A., Marcin Kowalczyk, Vice President of the Management Board of Grupa Azoty S.A., President of the Management Board of Grupa Azoty Puławy, Sebastian Chwałek, President of the Management Board of Polska Grupa Zbrojeniowa, and Krzysztof Sola, Vice President of the Management Board of Polska Grupa Zbrojeniowa.
