Management is responsible for the preparation and presentation of these condensed separate interim financial statements in accordance with IAS 34 Interim Financial Reporting as adopted by the European Union. Our responsibility is to express a conclusion on these condensed separate interim financial statements, based on our review.

Scope of Review

We conducted our review in accordance with the National Standard on Auditing no. 3 General principles of review of the financial statements/condensed financial statements and conducting of other assurance services issued by the National Council of Certified Auditors and the International Standard on Review Engagements 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with national standards on auditing and International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed separate interim financial statements as at 30 June 2015 are not prepared, in all material respects, in accordance with IAS 34 *Interim Financial Reporting* as adopted by the European Union.
